

LEE HANKINS  
Died April 23, 1929.  
Age 71 years.

A precious one from us has gone  
A voice we loved is stilled;  
A place is vacant in our home,  
Which never can be filled.  
God in His wisdom has recalled  
The boon his love had given,  
And though the body slumbers here,  
The soul is safe in Heaven.
